PRICING POLICY

This Pricing information supersedes our Pricing dated January 2009. Frey Manufacturing Corporation sells to State tax exempt entities and distributors regularly engaged in the traffic signal and sign mounting business. The following Pricing is for budgetary numbers only. The bid process may or may not follow these prices.

We do not sell directly to Owners, individuals or Contractors, unless there is an emergency on a specific job where a distributor cannot reasonably respond to your immediate need. We will still provide all the service and delivery expectations you have come to expect from our company since 1981..

If you need to locate a distributor, or have any questions, please always feel free to contact us. It is our commitment to work with engineers, contractors and public works personnel to understand your needs and requirements to provide you with the best equipment possible.

AGREEMENT TERMS AND CONDITIONS

Apply To All Sales

1. General Terms And Conditions

All sales of material or equipment by Frey Manufacturing Corporation (herein after known as FMC) are expressly conditioned upon the terms and conditions set forth below. Any additional terms or conditions set forth on the purchase order of the Purchaser or in any similar such communications shall not be binding or effective unless asserted to in writing by an officer of FMC.

2. Terms

The terms of the sale of merchandise listed on the front of the invoice shall be subject to the terms as listed on the front of the invoice. A FINANCE CHARGE is added if not paid within 35 days.

3. Cancellation

Purchaser may cancel order only by mutual agreement based upon payment to FMC of reasonable and proper cancellation charges.

4. Returned Goods

Materials and equipment must not be returned without advance written consent of FMC and a Return Materials Authorization (RMA) number. Except for provisions made in *No. 5 Warranty And Limit Of Liability*, no returns of equipment shall be allowed after 60 days of the original billing date of equipment. All returns will be subject to a restocking charge of 20%. Returned materials must be new and unused. Any equipment not returned in a new condition may be rejected or incur additional restocking charges, or returned at Purchaser's expense plus 10% handling charge.

5. Warranty And Limit Of Liability

FMC warrants for a period of ninety (90) days from the date of original billing date that the items manufactured by FMC and sold hereunder will be free from defects in material and workmanship. FMC's sole obligation in the event of breach of such warranty, shall be repair or replacement and shipping of the defective items which were manufactured by FMC at no cost to Purchaser. THIS WARRANTY IS IN LIEU OF ALL AND ANY OTHER WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED. No items shall be returned to FMC without its prior written permission. Failure of items as a result of unauthorized service, improper handling, or installation are not covered by this warranty.

6. Damages

FMC shall not be liable for any damages caused by delay in delivery or in any other performance under this Agreement. The sole and exclusive remedy for any breach of warranties or merchantability or fitness, and the sole remedy for FMC's liability of any kind, including liability for negligence, with respect to the items purchased hereunder and with respect to all performance by FMC under or pursuant to this Agreement, shall be limited to the repair or replacement specified under Paragraph (5) hereof, and shall in no event include any incidental or consequential damages.

7 Delays

If FMC suffers delay in performance due to any cause beyond its control, such as act of God, war, act of government, act or omission of Purchaser, fire, flood, strike or labor trouble, sabotage, delay in obtaining from others suitable services, materials, components, equipment or transportation, the time of performance shall be extended a period of time equal to the period of the delay and its consequences. FMC will give to the Purchaser notice in writing within a reasonable time after FMC becomes aware of any such delay.

8. Purchase Orders

Purchase Orders may be filled within 18 calendar days of acknowledgement of receipt at FMC, or within two weeks of the requested shipment date noted on the purchase order. If a longer time is required to fill a purchase order, FMC will notify Purchaser in writing with an estimate date of shipment. Orders requiring shipment within 18 days will be considered ASAP and may incur reasonable and/or unavoidable additional handling charges. As in the past, FMC will make every effort to get your materials delivered as requested without additional ASAP charges. If Purchaser requires same day, next day, 2nd day shipment, call FMC to confirm availability.

9. Shipments

All shipments are f.o.b. factory Minneapolis, Minnesota. The selected carrier must be selected by FMC. Any shipping and handling fees will be pre-paid and added to the invoice. Unless stated in writing from FMC, errors in shipment shall be brought to the attention of FMC within 10 business days of invoice or the Purchase Order will be considered complete and closed. Any errors in shipment made by FMC shall be remedied and shipped at the expense of FMC.

10. Payments And Finance Charge

All payments are made directly to FMC. Any payment not paid within 35 days of the original Invoice Date on the front of the invoice, is subject to the highest FINANCE CHARGE allowable by law. Non-payment will also be subject to the Purchaser paying all collection, attorney's fees and court costs incurred by FMC for such collection.
