

Pole mounted signal hardware.

Frey Manufacturing Corp.  
13150 Stewart Ave.  
Norwood, MN 55368-9675  
V/F 952-467-4474  
Cell: 612-790-2797

Mount mast arm signals and pole signals with the same equipment. Saves field time adjustments and intersection down time. No customization, ready to go. Do most of the work in the shop, not in the field.
